FIRST INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313

Sir:

Applicants hereby voluntarily disclose the references listed on the attached Form PTO/SB/08A and /08B, pages 1-5, with all documents included on the enclosed CD for the convenience of the Examiner, to the Assistant Commissioner for Patents.

Applicants further reserve the right to establish the patentability of the claimed invention over any of the listed information should they be applied as references, and/or to prove that some of the cited information may not be prior art, and/or to prove that some of the cited information may not be enabling for the teachings they purport to offer. This statement further should not be construed as the representation that an exhaustive search has been made, or that the information cited herewith is material, or that there does not exist information more material to the examination of the present Application. The Examiner is specifically requested not to rely solely on the information submitted herein. On the contrary, the Examiner is requested to conduct an independent and thorough review of the information, and to form independent opinions as to their significance.

It is respectfully requested that the Examiner initial and return copies of the enclosed PTO-1449 and to indicate in the official file wrapper of the above-identified patent application that each item of the cited information has been considered.

If a fee is due, the Commissioner is hereby authorized to charge the fee(s) to Deposit Account No. **09-0528**. This Information Disclosure Statement is submitted in duplicate.

Respectfully submitted,

Date: 12/12/06
